Chorus:

I'm gonna run into that city,  
I'm gonna shout I've been redeemed  
For when my name is called in Glory  
I'm gonna know my soul has been set free  
When the Saints of Old shall gather  
They will not stand -alone  
I will join them in that number  
Praising God we finally made home.

All my life, I have heard about his, coming  
Preachers say its closer every day.  
You can see the signs they hover in the heavens  
In your heart you know there's truth in what they say  
As a child my mom and dad would talk about heaven  
A time when we will see our final fate  
Just a twinkling of an eye he's going to change us  
In a moment, we will stand at the pearly Gates

Chorus:

Sometimes I get so, weighted down with trials  
At times it seems like trouble is all I see  
I know deep in my heart there is a city  
A place where know burdens will ever be  
There will come a time we'll hear that final Trumpet  
The saints already dead will leave the ground  
Those that Remain will all be taken  
But changed, in Heaven we'll all be found.

Chorus:

I'm gonna run, run, run into that city,  
I'm gonna run, run, run into that city.
