Jonah was a righteous man  
He walked with the lord each day  
But when God said to go down to Nineveh  
He turned and went the other way.  
Jonah prayed from the belly of a whale in a sea of blue  
So when he touched dry land, he was kicking up sand  
For, there was one thing ole Jonah knew.

**Chorus:**

You gotta get out of your comfort Zone  
You gotta seek out foreign land  
You gotta walk on unfamiliar territory  
Knowing that on God, you stand  
You've gotta get out of your comfort zone  
You'll find more blessings then the sea has sand  
He will never leave you to walk alone  
When you get out of your comfort zone

Now many times we wanna run and hide  
Ignoring what God has said  
For it is so much easier, to just roll over  
And lay in that spiritual bed  
There is a lesson to learn from the story  
About Jonah and the whale that day  
When God says to go, I have work for you  
There is one thing you have to do.

**Chorus:**

Tag: he will never leave you to walk along  
When you get out of your comfort zone  
Get out of your comfort zone
