They called me a prophet
A Carpenters son
A Profound preacher of the word
Some said I came to a manger of a virgin birth
Leaving heaven to walk as man on earth
Some said I was a healer
Speaking life to death
One claimed I was truly the Son of God
All your life you heard the words of man
But speaking from your heart
Do you know who I am

Chorus

Do you know who I am?
Do you really know who I am?
Am I your Savior, Redeemer, or just another man?
I'm asking, do you know who I am?

There have been many men that's rose up
Down throughout the years
Building kingdoms up that always crumble down
But I have no time on my existence my will has never failed
Even when on that cross I was nailed
They cursed and accused me
As I bled upon that tree
My last breath I gave for all to see
A Borrowed tomb they chose to lay me in
But I rose to live again
Now, do you know who I am?

(Chorus)

Bridge:

They call me, Jesus, Messiah, Immanuel, King of Kings
Wonderful, the anointed one, counselor, Prince of peace
The Alpha the omega the beginning and the end
That Resurrecting power the Savior of men
But I'm asking,

Chorus:
