

Don't Weep For Me
Writer: Marlene Pelt

**I know there are questions that weigh on your mind
So hard to find the words to say your Goodbyes
The empty hours you spend every day
With thought of how quickly life slips away.
If Loved ones could turn back the pages of time
I know there is one thing they would say every time.**

Chorus:

**Don't weep for me
I'll be just fine
I've waited all of my life for this moment and time
This is how it must be, So let it rest in your mind
There is truth in his word every verse and each line
Heaven's where I long to be
So Don't weep for me**

**We all know that life is but a vapor to us
One day we all will return to the dust
But the promise from Jesus, we will live again
In a land with no Sorry, and Joy never ends.
Look with your heart till you see Heaven's view
Then you will believe how these words are so true**

Chorus:

Bridge:

**If you could only see what their eyes see
The life they now live and how ours will be
Cherish your memories as you live your life through
And, Remember, what they would say to you.**

Chorus:

Don't---- Weep--- For me,

Jesus is right here with me...

**So Don't weep for me
Don't weep for me
Don't weep for me**
