

## **IN AMERICA**

**Writer: Marlene Pelt**

This Country that I love, is torn and so confused  
Not knowing where to turn or what to do  
Some look to parties and names some look to men with fame  
Searching for some form of change  
But I Believe upon God's word there is no other way  
As Christians We should make our Stand each day  
If our faith we will defend Never waver and never bend  
God will Bless America again

Chorus:

In America we have the right to pray  
In America there is freedom still today  
We can Stand Proud and true for the Red White and Blue  
But to keep us strong there is something we all must do  
Here in America Take your right to pray...

Bridge:

If My people which are called by my name  
Will humble themselves and pray  
Seek my face and turn from their wicked ways  
Then will I hear from Heaven forgive their sins and heal their land  
This is a promise from God but we must make that Stand

Chorus:
