He told them
Go and tell all you have seen
How I lay down my life a sacrifice
Tell them
Like winter turns to spring
Belief in me can change the coldest life
Though I must go I give to you Salvations Perfect Plan
Tell them how I love them I place it in your hand

Chorus
This is your Heritage to live
Grace to you I give
Birth-right of the Father
Given by the son
I am the bread of life to break
Your cup of wrath I take
I am the Way, the Life, the living Truth
I leave a Legacy of Love To You

Can you see them
Shadows of despair
Cast across a lost and dying world
Their Searching
For answers, anywhere
But never finding truth that reassures
His love imparted unto us his perfect will and might
Speak the word, give them hope, you children of the light

Chorus:
Bridge:
All of heavens power has been given in his name
Spread his word around the world it will not return in vain

Chorus:
