**Three Hebrew children stood that Day**  
**With only one thing to say**  
**We will not bow down to your Idol God**  
**The price we'll just have to pay**  
**But God heard the words that his servants proclaimed**  
**And from the Portals of Glory he came.**  
**And though they stood, in the heat, no one could cry defeat**  
**For God had, shielded them from the flames**

**Chorus:**

**That's nothing but God standing there in your Trial**  
**That's nothing but God fighting the battle you'll win**  
**Cause when you've reached your ropes end don't you know that's when Gods work**  
**just begins**  
**When the answer comes your way from your heart you'll say**  
**That's nothing but God**

**When you're standing in the midst of your valley**  
**Crying God please hear my plea**  
**That mountain's so high the top passes from sight**  
**In your mind you feel the pain of defeat**  
**You know the enemy comes like a lion**  
**Seeking out to destroy whom he can**  
**That's when the spirit within rises up to defend**  
**Then Satan flees. He knows he's on forbidden Land.**

**Chorus**

**Tag; yes when your answer comes your way from your heart you'll say**  
**Well that's nothing but God**  
**That's nothing but God.**
