I stood by you, in troubled times  
When the weight of life, was heavy on your mind.  
I walked with you, and when you fell  
I reached down and picked you up and said I care  
I drove away every fear you ever had  
I dried a million tears when you were sad  
Now you feel you're all alone, you don't know what to do  
There is one thing child I would like to ask of you.

**Chorus:**

Remember me  
I'm the one that's always loved you  
Remember me  
And all that I went through  
You see I could have walked away  
Because of you, I chose to stay  
So when you feel you're all alone  
Remember Me.

The World stood still, my Fathers will  
That his son must die for you would never feel  
The Chains of Sin the Sting of Death  
No one else could go and take that final test  
My Father had to turn and look away  
While the angels stared in silence on that day  
I knew someday just how you'd feel that is why I left my throne  
To take your place at Calvary, for you would never walk alone

**Chorus:**

**Tag:** you see I could have walked away because of you I chose to stay  
So when you feel you're all along  
Remember me. Remember me...
