When I think of where I am, and where I was just yesterday
I stand amazed, I stand amazed.
When I think about your mercy and the Grace, you have given me
I stand amazed, giving you all praise.

I stand amazed, for you alone
Left your Royalty to claim your own
Although I strayed and was afraid
You said that I could rest within your grace
You took my sins away, through you I have been saved
That is why today I stand amazed.

When I think of how a king, would leave his kingdom just for me
I stand amazed, I stand amazed.
How you shed your blood for me on a cross at Calvary
I am amazed, for me you stayed...
Chorus:

Bridge:
Surely, Goodness and Mercy will follow me all my days
I will dwell in your house forever
On that glorious day when I reach your holy place
I want to thank you when I see you face to face
