Shepherds lay lowly outside of Bethlehem  
Watching closely caring for those precious sacred lambs  
Silent filled the heavens as God ushered in the night  
Waiting for the perfect time to announce to them a sign

Chorus:

There is a Savior  
His name is Jesus  
Sent to earth to dwell as man, in a Sinful Land  
There is a Savior  
His name is Jesus  
The Son of the Great I am  
He is Gods perfect Lamb  
There is a Savior

The Shepherds gathered quietly, to settle for the night  
Not knowing what was waiting just beyond their natural sight  
Then a voice came from heaven as the angels appeared to them  
We have come to share good news with you, that brings Peace unto all men

Chorus:

Bridge:

Sacrificial lambs to watch, now there is no need  
Salvation plan came to man, through a Woman's seed  
Sins no longer rolled back , He took them all away  
Through the Blood of our Redeemer, Redemption bears his Name  
There is no other way..

Chorus:
